

### Mahtomedi Temporary Outdoor Premises Application (COVID-19)

The purpose of this application is to secure City approval for certain Mahtomedi businesses to operate outdoors temporarily. Permits terminate at such time as Minnesota Governor Walz's COVID-19 Health Pandemic Emergency Orders cease to limit businesses from operating indoors at full capacity, or further decision of City Council.

#### City Requirements for Expanded Outdoor Spaces:

1. Consumption of alcoholic beverages, by individuals over 21 years of age, is temporarily permissible, within portions Veteran's Memorial Park.
2. Alcoholic beverages may be served in compact and contiguous spaces adjacent to the existing licensed premises.
3. All applicable federal and state regulations must be maintained. All expanded outdoor spaces must be ADA compliant for access and ADA parking spaces may not be reduced.
4. County approval is required for expansion into County right-of-way. City Staff will coordinate County approval following submittal of this application to the City of Mahtomedi.
5. Access shall not be restricted. This is subject to the discretion of the Building Official and Fire Chief.
6. Any temporary structure must be compliant with building and fire code.
