**Date**

**BACKFLOW PREVENTER INFORMATION AND FEES ON REVERSE**

**NEW Backflow Preventers: Indicate below the number of devices being installed**  
**Submit Data & Testing Within 30 Days of Installation**

Testable Devices must be tested and inspected annually. Buildings served by a community public water system must provide notification to the administrative authority and the public water supplier of all testable devices within 30 days of installation.

**Non-Testable Backflow Preventers:**

- Atmospheric Vacuum Breaker
- Anti-siphon Fill Valve
- Vacuum Breaker Wall Hydrant
- Backflow for Carbonated Beverage Dispenser

**Testable Backflow Preventers (Submit Data & Testing within 30 days of Installation):**

- Spill Resistant Pressure Vacuum Breaker
- Double Check Valve Backflow Prevention Assembly
- Double Check Detector Fire Protection Backflow Prevention Assembly
- Pressure Vacuum Breaker Backflow Assembly
- Reduced Pressure Principal Backflow Preventers
- Reduced Pressure Detector Fire Protection Backflow Prevention Assemblies

**What does the device protect:**

**State of Minnesota Plumbing Plan Review Information:** Plumbing plans, specifications and a fee must be submitted for modification or installation of all plumbing systems that serve the public or that serve a considerable number of persons. Some of these facilities include but are not limited to restaurants, resorts, hotels, vacation home rentals, grocery stores, department stores, offices, warehouses, shops, churches, hospitals, nursing homes, assisted living facilities and housings with five units or more, such as apartments and condominiums (excluding townhomes built to the International Residential Code (IRC) with individual water and sewer services to each dwelling unit).

**Please visit the Minnesota Department of Labor Website for full plan review details:**

<http://www.doli.state.mn.us/business/get-licenses-and-permits/plumbing-plan-review>

**Plumbing Permit Fees: (Add \$1.00 state surcharge to each permit)**

Residential fee ( <i>minimum permit fee</i> )*	\$40.00	Backflow Prevention Device Testing ( <i>Each Device</i> )	\$20.00
